

## **2015/2016 Road Right-of-Way Program**

### Goal - Objective - Plan

Goal: Clear all right of way of trees and brush.

Objective: Reduce liability and improve sight lines and appearance.

Plan: 2015 - Cut and remove all trees within 15 feet of traveled road surface.

Cut brush in all ditches where possible to edge of right of way.

Make 3 mower passes on all roads.

2016 – Cut and remove remaining trees to edge of right of way.

Cut re-growth of brush where needed.

Mow all ditches to edge of right of way.

The execution of the stated plan will result in achieving the stated goal and objective.
