

RESOLUTION NO. 21-13

TOWN OF EUREKA, POLK COUNTY, WISCONSIN
RESOLUTION APPROVING INTERGOVERNMENTAL AGREEMENT

WHEREAS, state and county permit applications are progressing for a farrowing facility for more than 26,000 hogs proposed to be located in the Town of Trade Lake.

WHEREAS, land owners in other neighboring towns have been approached to site additional hog facilities.

WHEREAS, these facilities present many threats to public health, safety, welfare and property values.

WHEREAS, Burnett and Polk counties have not taken action to address the risks associated with these facilities.

WHEREAS, the Towns of Trade Lake and Eureka passed ordinances to protect public health, safety, welfare and property values.

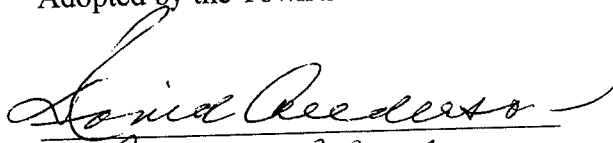

WHEREAS, additional research and legal work is needed to draft a regionally appropriate ordinance which will provide for the consistent regulation of these facilities.

WHEREAS, as partners, our towns can save money by sharing costs needed for legal and scientific research.

THEREFORE, BE IT THEREFORE RESOLVED:

1. The Town approves the Intergovernmental Agreement creating the Large Livestock Town Partnership Committee.
2. The Town allocates \$3,000 for its proportionate share of the costs incurred by the Committee. Any further allocation must be approved by the Town.
3. The Town appoints Don Winterhatter to serve as its representative on the Large Livestock Town Partnership Committee.

Adopted by the Town Board the Eureka the 9th day of September 2021.
